

PALLMERE

FLUID
TABLE SERIES

Fluid Table

Designed with a harmonious mixture of wood, laminate, and metal, Fluid is made for spaces where people come together. Shapes, Sizes, Profile and Options allows Fluid to remain elegantly simple but suitable for any environment of space.

Shapes

The Fluid Table series is available in the following shapes and sizes:

Round (in Diameter)
36", 42", 48", 54", 60"

Square (in width x depth)
36", 42", 48"

Rectangle (in width x depth)
30" Depth:
36", 42", 48", 54", 60", 72"

36" Depth:
42", 48", 54", 60", 72"

Options

Available as a starter and adder table program, with the option to add acrylic dividers, grommets, wire management, electrical and lighting fixtures.

Starter & Adder Program (not limited to)

Single Face

Options:
Ideal for 4-12 users
One to three 30" x 60" tables

Double Face

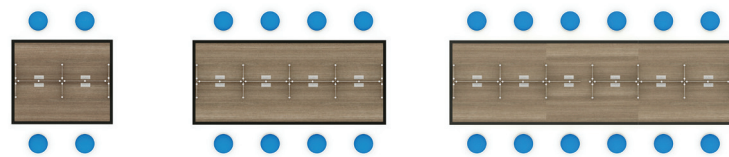

Options:
Ideal for 6-14 users
One to three 42" x 60" tables

Fluid Workstations

The Fluid Workstation is ideal for both individual and group work settings; simultaneously providing semiprivacy when working solo and allowing teamwork when collaboration is required. These workstations function as a starter and adder program to cater to singular and multiple users, host computer stations and offer a research and study area. Electrical outlets, grommets, wire management and acrylic dividers are options that can be added to these tables, when requested (surcharges will apply).

Starter & Adder Program (not limited to)

Single Face

Options:
Ideal for 1-3 users
One to three 30" x 60" tables

Double Face

Options:
Ideal for 2-6 users
One to three 60" x 36" tables

Electrical and Lighting

The Fluid Tables can be outfitted with individual light bays, see recommended table sizes with lighting & electrical options. For more details and options, please consult with the specification guide and your sales representative.
